DAY 11:  
**NOW IS  
ALWAYS THE  
RIGHT TIME  
TO MAKE A  
DIFFERENCE**

**Watch:** Watch today's short video. Pay attention to the question John asks and his perspective on the day's intentional action.

**Think:** What have you seen or heard that made you think, "Somebody ought to do something about that"? Usually, it's something that seems too big for you to tackle. How can you learn from Celine and find something specific enough that you can do yourself?

**Do:** Mother Teresa said, "If you can't feed a hundred people, then feed just one." Or to put it the way Andy Stanley does, "Do for one what you wish you could do for everyone." Do something small but specific to help solve a problem that moves you.

**Tell:** After you've taken a small specific action to make a difference, tell others about it. If you use social media, post the quote from Andy Stanley "Do for one what you wish you could do for everyone." using the hashtag #IntentionalLiving. You can also click to share today's big idea on social media:

**Now is the only time you and  
I have to make a difference.**
