DAY 20:
**THE POWER
OF HAVING
A DREAM**

Watch: Watch today's short video. Pay attention to the question John asks and his perspective on the day's intentional action.

Think: Based on John's teaching, think about your answers to these questions:

- What are you willing to give up to accomplish your dream?
- What insights do you have about your dream that others miss?
- Do you believe in your dream enough to give yourself to it?
- Do you believe your dream is big enough to attract others to it?
- Can you see what it will be like when you accomplish your dream?

Do: Begin brainstorming ideas that you could use to accomplish your dream. Write them down. If a process begins to emerge from those ideas, write that down too. As you talk to others about your dream, you can use these ideas to bring life to it. But be sure to be open to others and their ideas for how to accomplish your dream.

Tell: Share with someone else one of the insights you gained about your dream. If you use social media, share using the hashtag #IntentionalLiving. You can also click to share today's big idea on social media:

**You create your dream, and then
your dream creates you.**
