DAY 22:
BELIEVE BIG,
BUT START
SMALL

Watch: Watch today's short video. Pay attention to the question John asks and his perspective on the day's intentional action.

Think: Many people may be quick to dismiss Carrie Rich's story as a fluke. It's not. If you get started, resources will start coming to you. You may not receive a check for \$1 million, but you will begin getting things you need. Think about the fairy tale ending for your dream story. What would it look like, and how can you get started making it come true?

Do: What small tangible step can you take today to move closer to achieving your dream to make a difference? Don't go to bed today until you have done it.

Tell: After you've taken a small tangible step toward your dream, tell others about it. If you use social media, share using the hashtag #IntentionalLiving. You can also click to share today's big idea on social media:

You don't need to be rich, famous, old, established, or highly influential to make a difference. You just need to get started.
