DAY 23:
TODAY IS
ALWAYS THE
DAY TO MAKE
A DIFFERENCE

Watch: Watch today's short video. Pay attention to the question John asks and his perspective on the day's intentional action.

Think: Have you had a traumatic experience like John's? If so, what kind of impact did it have on your thinking? Did it give you a sense of urgency? If so, do you still have it? Or have you lost it as time passed?

Do: Yesterday you were asked to do one specific tangible thing to get you closer to fulfilling your dream to make a difference. Today, keep up the momentum and figure out five small specific things you can do to move you or your team closer to making a difference.

Tell: After you've done five small things to move toward your dream, tell others about it. If you use social media, share using the hashtag #IntentionalLiving. You can also click to share today's big idea on social media:

**Today is the only day you have
to make a difference.**
