

# 30DayJourney

DAY 26:  
GET ON  
THE RIGHT  
TRACK TO  
SIGNIFICANCE

**Watch:** Watch today's short video. Pay attention to the question John asks and his perspective on the day's intentional action.

**Think:** Set aside time today to reflect on all of the things you've done during the 30-Day Journey. As activities come to mind, write them down, putting them in one of two lists: actions that resonated and actions that didn't.

Evaluate the lists and try to find out what the items in each list have in common. Can you see what kinds of things really worked for you, and why? If you can, how does this information impact your dream to make a difference?

**Do:** Based on what you've learned in your reflection time about the activities you've done and what you know about your dream, what adjustments do you need to make in your efforts to make a difference? Plan your next intentional act to add value to others based on that.

**Tell:** After you've evaluated and adjusted your efforts to make a difference, explain what you learned to someone else. If you use social media, post using the hashtag #IntentionalLiving. You can also click to share today's big idea on social media:

**Evaluated experience is the best teacher,  
so take time to reflect.**
