

DAY 8:
YOUR THIRD
CLUE ABOUT
A LIFE THAT
MATTERS

Watch: Watch today's short video. Pay attention to the question John asks and his perspective on the day's intentional action.

Think: What idea excites you? If you could do absolutely *anything* to help others, improve your community or country, or benefit humankind, what would it be?

Do: Your only task today is to identify what makes you dream. If you know what that is, write it down. If you're having trouble answering the question, then brainstorm 5 possibilities and write those down.

Tell: After you've identified something that makes you dream, tell others about it. If you use social media, share using the hashtag #IntentionalLiving. You can also click to share today's big idea on social media:

**When you identify what makes you dream,
and you tap into it, you receive the third
major piece of the puzzle for your purpose,
and your pathway to a life that matters
becomes even clearer.**
